Editor's Message

We, the annual staff, are proud to present to you our 1953 PI-CO-Hi. This book has caught glimpses here and there, so that in years to come the activities of this school year at Pickens County High will not be dimmed and will not fade from memory.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '53, we shall be content, knowing that we have done the thing we were called upon to do.

Sincerely yours,

A Message To The Students

You have been double blest by having lived in this age and in this country where opportunities for self-advancement have been galore. You are also fortunate that your parents have believed in you and your possibilities to the extent that they have made many sacrifices for you.

There has never been a time when a sense of responsibility and a sense of duty to the democratic way of life were so important. All must work and like it, and every service, however humble, is honorable and should be performed well. The future should be faced in the spirit of the pioneer, which manifests itself in the ability to postpone immediate rewards for the larger rewards that will be won.

May the time-honored lessons and truths which have been so faithfully imparted to you by the great institutions of the home and the school be your guiding principles as you seek success and fame in this life.

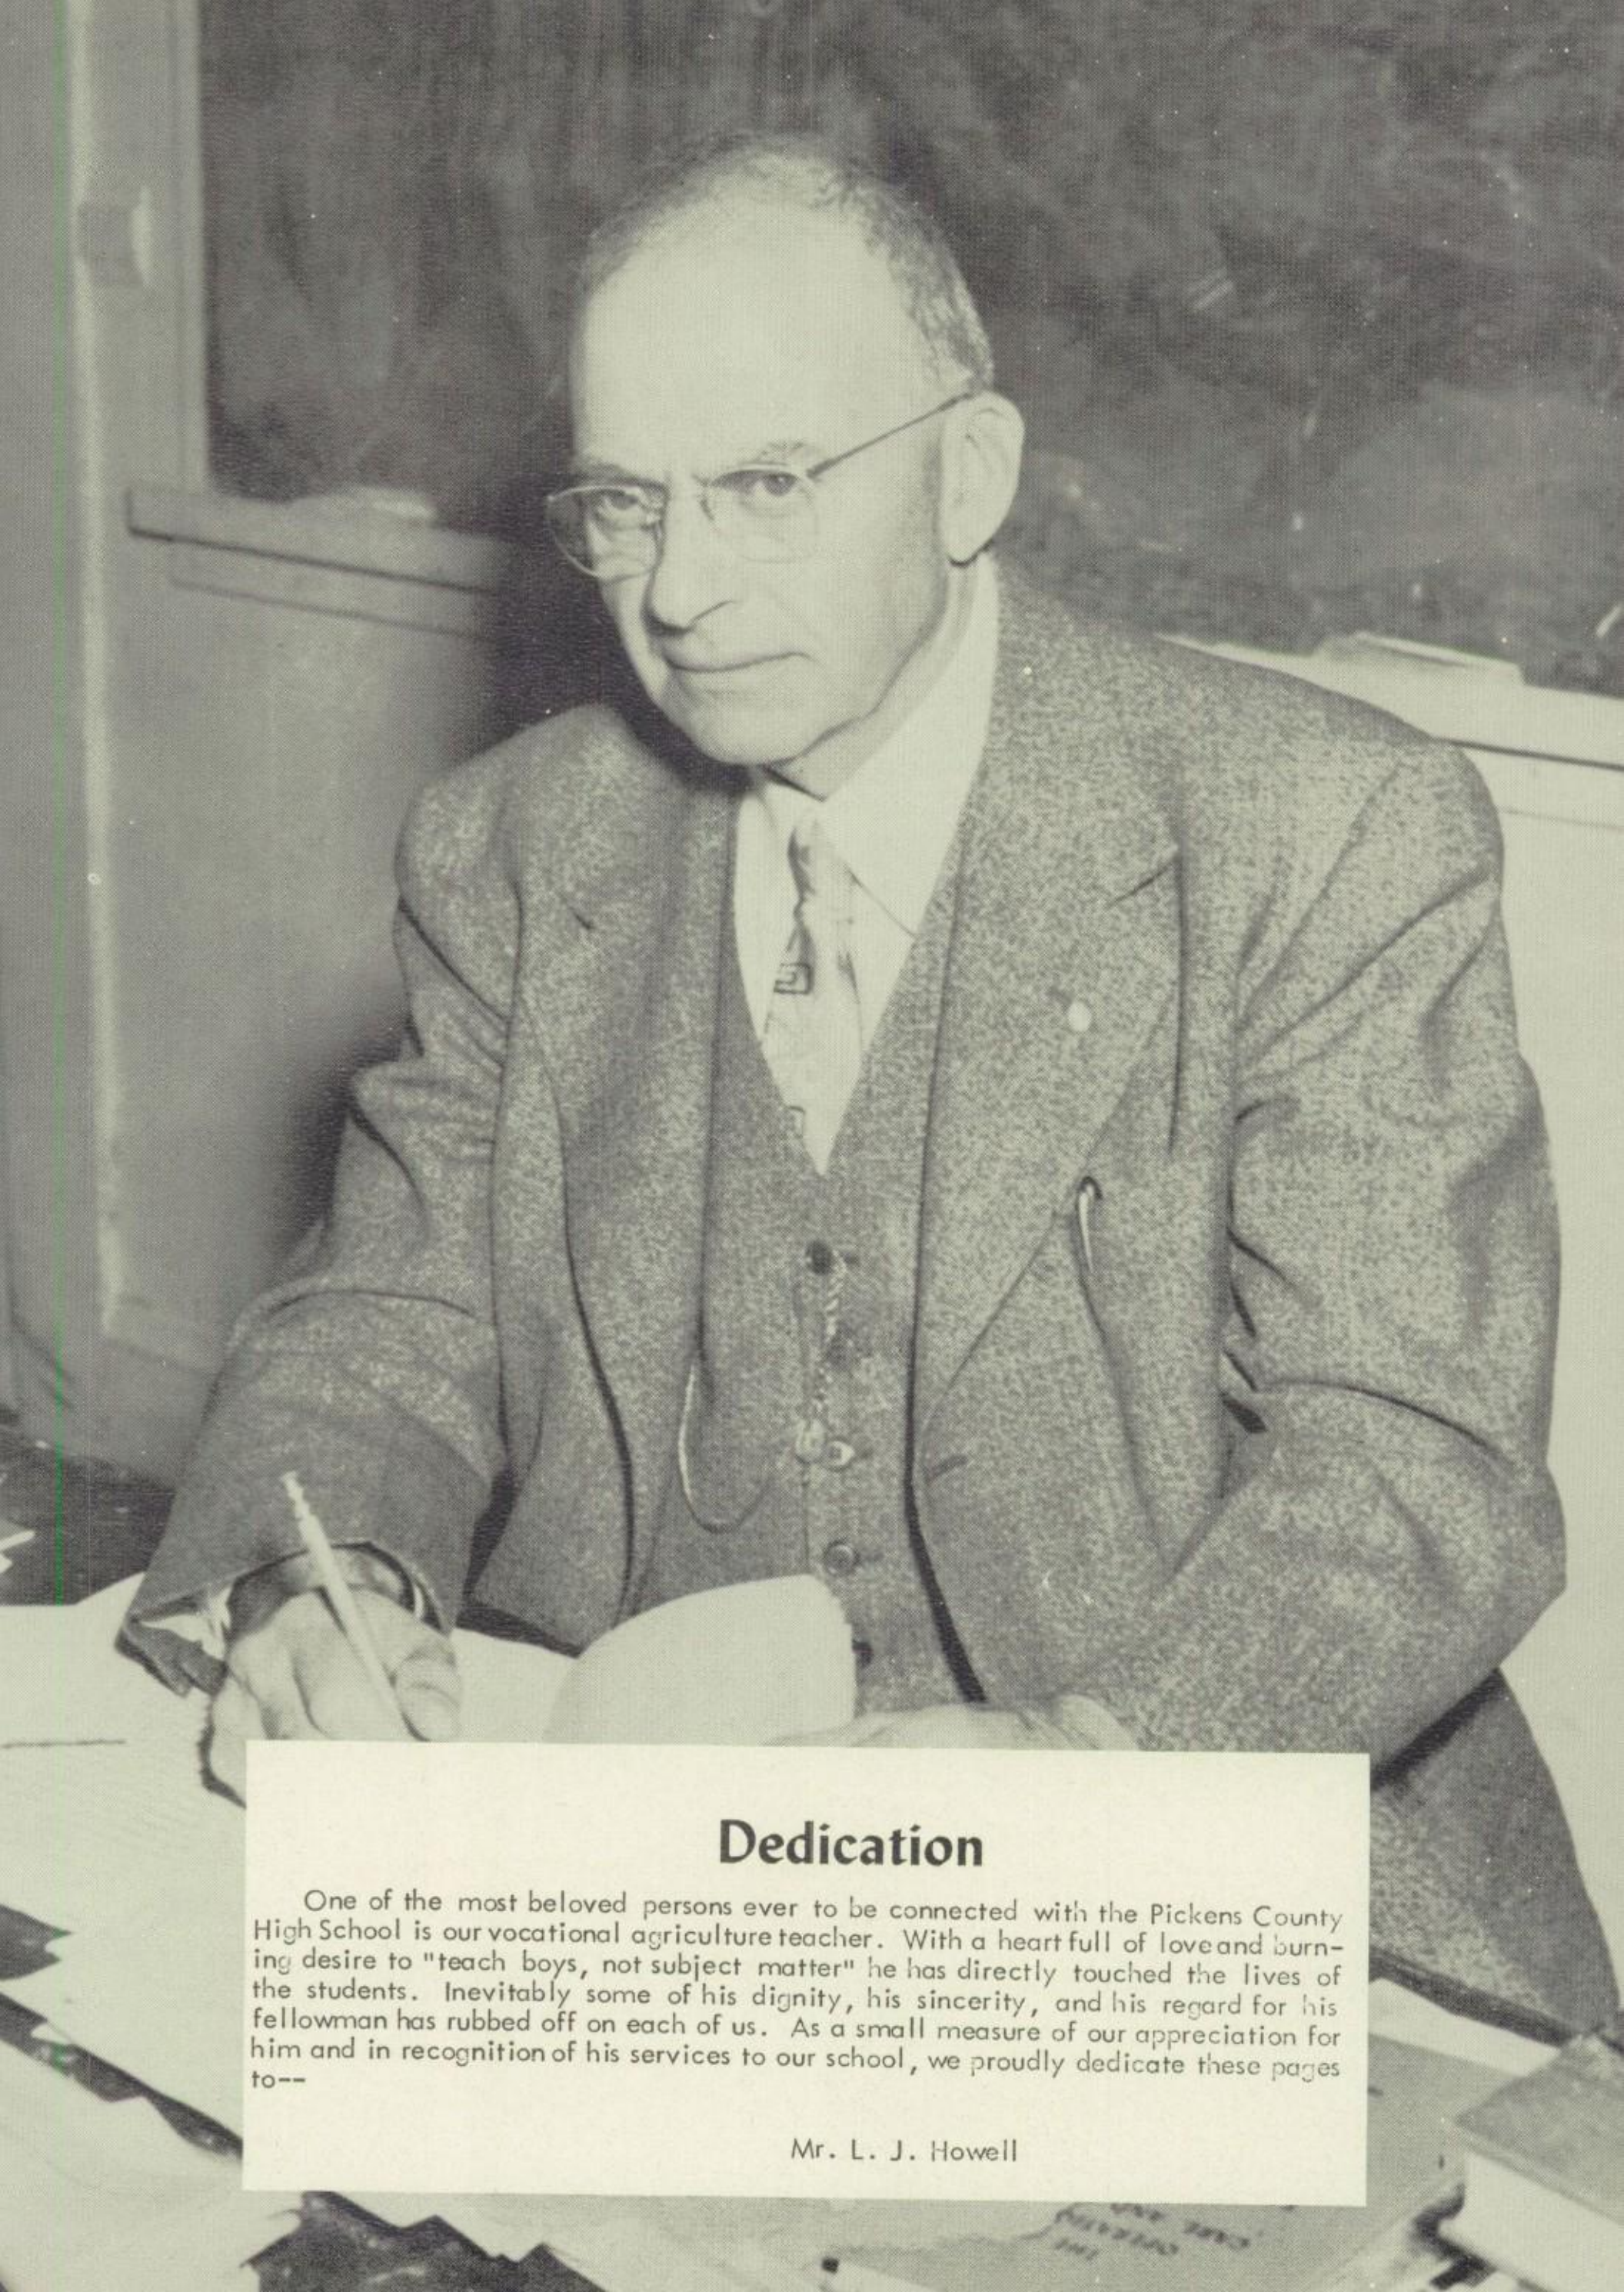

Sincerely

G. S. Spruill

Dedication

One of the most beloved persons ever to be connected with the Pickens County High School is our vocational agriculture teacher. With a heart full of love and burning desire to "teach boys, not subject matter" he has directly touched the lives of the students. Inevitably some of his dignity, his sincerity, and his regard for his fellowman has rubbed off on each of us. As a small measure of our appreciation for him and in recognition of his services to our school, we proudly dedicate these pages to--

Over Blocton

BLOCTON—The Pickens County High's win-streaking Crimson Tornadoes last night received the Birmingham News championship plaque as Class A champions of the Northern section of the state.

It was in a setting befitting the feting of a championship team. The banquet given by Reform High at the high school cafeteria.

The coronation ceremony was held at the high school cafeteria. It was a night of celebration for the Reform High football team.

On the deck, the band and foot-

O. Puckett, president of the Glee Club, presided over the banquet.

Principal G. W. Hill, who introduced visitors, said that many factors went into the winning team at Pickens County High but the principal factors were a good coach and hard working players. He praised the spirit of the student body and the loyalty of the citizens of Reform.

Coach H. C. Elmore considered 1951 his greatest year coaching. But that it was at the same time the toughest for opponents were keyed up to defeat Reform. He too praised the enthusiasm of the citizens in backing the team. He said he thought the squad one of the finest which he had worked. But he pointed a gloomy picture for 1952 losing 11 first-string men.

I. C. KUYKENDALL, superintendent of county board of education; Mayor Farrar; R. B. Dotson, former state legislator; members of the school board and other leading citizens spoke words of praise for the team.

to Reform for Friday battle, 27 To 6

MILLPORT, Ala., Nov. 14—Millport tomorrow night will face other tough opponents, Pickens County High at Reform. C. Hickman's Junior team entered a rough session, winning over Sulligent 21-0.

Millport made three touchdowns while Sulligent made five. Sulligent failed to penetrate the Millport territory. Millport was running and completing passes at will. The game was a bruising one.

Coach Hickman, looking forward to the game November 14, Millport with an undefeated record tied York Jackets of Aliceville. He tutored the team to two defeated seasons.

Reform has lost only one season, having one of the best teams in the history of the school.

Millport had to rebuild this year, losing 17 men from a thirty-man team last year. Millport's Crimson Tornadoes should be strong another year due to the fact that they lost only nine men from a forty-man team this year.

Peggy Sulligent, Gwendolyn Black, Loretta Turner, Bernice Blalock, Rebecca Cash, and Hickman, lead the Millport High team to victory over York Tide to another season.

Pickens County High's win-streaking Crimson Tornadoes last night received the Birmingham News championship plaque as Class A champions of the Northern section of the state.

It was Reform's first period Elmore going over from the five. Reform converted.

Hale came charging back and make the count read 7-

In the second period Elmer Hester raced 55 yards to the Hal five and scored from that point on the play for Reform.

In the third period Bobby Davis scored in the five for Reform.

Ray Elmore shook loose for 55-yard touchdown run for Reform in the final period.

Homecoming activities at Pickens County High at Reform underway this afternoon.

Friday a homecoming program has been planned for 7 o'clock with a parade following.

The feature event of the night will be the football game between Reform and Gordo Friday night at 7 o'clock.

The homecoming program will honor the 1938 undefeated team. The 1938 team produced the perfect football record in the history of Reform.

Special invitations have been sent to each member of the team.

Reform's Crimson Tornadoes have won 22 straight games. The homecoming will give it undisputed status in the Pickens County High's championship.

Reform's daughter, Bettye Clements, and Miss Clements, daughter of the school board, have been selected homecoming queen and maid of honor.

Reform Ramps Over Carrollton In Homecoming Battle, 14-13

BF ED WATKINS News Sports Editor

REFORM — Pickens County High's Crimson Tornadoes celebrated homecoming with a 28-13 victory over Carrollton High's Indians in a hot county battle here Friday night.

Reform took a 14-0 lead at the half and coasted to victory. Reform lost the services of Ed Edgeworth who suffered a broken leg. He will be out for the remainder of the season.

A 49-yard run by Elmer Hester to the Carrollton 10 setup Reform's first touchdown in the second period. Grady Elmore later rammed over from the eight and George Elmore added the extra point. Moments before the first half ended Otis Vaughn intercepted a Carrollton pass and raced

extra point for a 14-0 lead.

Bobby Davis' 25-yard jaunt to the Carrollton 25 setup Reform's third touchdown. Grady Elmore got 13 and Davis later scored from the three. George Elmore converted.

Carrollton drove 19 yards for a touchdown midway the third period with Paul Williams going over from the five. Runs by Williams, O. M. Fox and Vern Black featured this drive.

Late in the fourth period Williams made a brilliant 43-yard touchdown run for Carrollton to tighten the score to 21-13.

Reform came back with a minute touchdown with George Elmore passing to Ben Simpson for a 12-yarder.

Reform missed its first scoring chance in the opening minutes of

Another Step Forward

This year, nineteen-hundred and fifty-three, finds many of you graduating and others moving up to take your place as next years graduates.

Through the commendable efforts of the teachers of our great America, you face the world of tomorrow with greater confidence and ability, capable of taking your place with your fellow citizens.

We at USECO are most happy to have played a part in recording your treasured memories of 1953 and have utilized every skill at our command to present you with a book you'll cherish through the years.

May we all feel justly proud of our accomplishments and remember them as, "Another Step Forward!"
